

FAASTeam presents:

LAS VEGAS AREA - Airport Surface Safety

The Office of Runway Safety is conducting a open discussion seminar on airport surface safety at Las Vegas Area Airports, HND, VGT, LAS, and BVU. Discussions will include airport signs and markings and Runway Safety including recent Incursion issues at local airports. We will also present and discuss Phraseology, Communications, and Procedures used by Air Traffic Control. We encourage two-way participation and especially want to hear from you with a “cockpit perspective view” of your local area concerns. Meet with Local ATC Representatives.

Directions: Las Vegas Henderson Executive Airport Terminal Building.

A message from the National FAASafety Team Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
